My greatest fear upon a total economic societal collapse

is that I won't be able to protect my wife

Can anyone provide rough cost for a 600m private gravel runway to be built from scratch? I understand that there are many variables, just trying to get an idea. Also, any Aus companies that are recommended?

I get very Frustrated with the General population of Passing responsibility and lack of self-sufficiency.

Do not just dehydrate, test it.

I reckon disease would be the most likely scenario.

For example someone is injured in your immediate family, everyone is immediately concerned.

It shows how far a fire can go.

They are behind the porn industry, All in order to cut down our numbers make us not have families.

Big difference, i store what i need in my head.

What am i preparing for, most likely overpopulation, but i am open to other kinds of disasters and problems of that nature.

my family will be just fine . My cadre is upto the challenge.

Cheaper than olive oil and let's not get too fussy here.

Close friends who agree that things have to be put in place, but (sadly) won't interrupt their (also busy) lives to help out and are basically leaving it to us to sort out.

Sometimes it makes me a bit despondent but I just have to slap myself in the face a couple of times and just get on with it.

Hoard pollen. Raise rabbits. Capture rainwater. Some dogs do not and can not do guard dog work.

Wonder if the Doberman is the best all round Dog for Aus. Short fur heat tolerant. Look it up.

This crystal ball gazing doesnt help and you have to make some decision i know

Being a father all I can say is I would do anything for the health of my children. I dont believe I would kill the other family more just take the meds and leave them.
